

**CENTRALIA SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

DENNIS SALTS

OCCUPATION: Appointed Incumbent/Executive Director

Public Education is vital to our community. My wife and I have lived in Buena Park for over 20 years. We are proud of our community and our schools. My daughters both attended Kindergarten through 6th Grade in the Centralia School District. They received a quality education and are now in college.

As a Trustee, my goal is to insure that our local schools are meeting the needs of our students. Literacy is the key to our children's futures. My many years of experience as a supermarket store director give me the financial and people skills to be an effective trustee. At a time when state and local budgets are tight, we must team up with the PTA and service clubs such as Rotary, Women's, Lions, Kiwanis and others to help our local schools.

My belief is that all children can succeed if given the chance. In my professional career, I was able to mentor all kinds of people to reach their goals. I am a graduate of CSUF, an Army Veteran, President of the Rotary Club and a lifetime learner.

I ask for your vote, so that we can work together for our children's futures.
